Takeaways

During the summer camp, Samskruthi gained an understanding of the Elements of Art: line, shape, form, value, colour, texture and space. She used them effectively while creating her artworks. She got opportunities to dabble with colours and create various tints, shades and hues. Her artworks reflect rich imagination and an eye for detail. Given more opportunities, Samskruthi will be able to enhance her knowledge of perspective in art and hone skills of creativity and composition.
